IBBA-ABC Event Grant
Submission deadline: March 1, 2027

Aim
Inter-institutional, interdisciplinary, and international iBBA-ABC Event Funding is intended to support iBBA and ABC members of all ranks. The aim is to enhance and strengthen the collaboration and cohesion between iBBA and ABC through a joint event: the grant proposal must include one PI from iBBA and one from ABC (**inter-institutional**). The proposed event should clearly foster **interdisciplinary** exchange and increase iBBA-ABC's joint **(inter)national** visibility and broader impact. Events can take any form (e.g., networking events, workshops, symposia, etc.).

Budget
All submissions must have a budget of **max. € 5,000**. This budget must be spent within the calendar year of the award; for the 2027 grant round, all financial procedures must be completed by December 31, 2027.
Budget is available for max. 1 grant per year.

Who can apply?
PIs* are iBBA-ABC members with at least a 0.5 FTE appointment at the UvA/VU/AUMC.
**iBBA-ABC Board members are not allowed to submit as PIs.*

Application Process
Applications must be submitted by **March 1, 2027 at 23:59**.
The submissions will be evaluated by a committee consisting of iBBA and ABC Board members. We aim to inform applicants of the outcome of their application within three weeks from the date of submission.

Application Requirements
- Applications must be drawn up in the provided application form.
- Application forms must be uploaded as a PDF through the ABC website.
- Applications must demonstrate how the event will contribute to the main goals of increasing **inter-institutional, interdisciplinary collaboration and (inter)national visibility**.
- Applicants may only submit one iBBA-ABC event proposal per grant round.

Application Assessment
The Event Grant Selection Committee will evaluate the applications on the basis of:
- The potential to increase inter-institutional, interdisciplinary collaboration (50%);
- Potential for (inter)national visibility and broader impact (10%);
- The quality and feasibility of the proposed event (40%).

Preference will be given to events that include opportunities for social interaction and networking between iBBA and ABC members, and that promise to bring together iBBA and ABC members across career stages.
